2010 SBC CENSUS

To coincide with the 2010 census being taken by the United States Census Bureau, **Second Baptist** is also taking it's own census to get accurate information on our church families. Beginning the **first Sunday in March** watch for your simple form to fill out and leave in the pew, at the Welcome Center, give to a staffer, or bring it by the church office. Thank you in advance for helping update our records!
